HARIS HUSSAIN

WEB DEVELOPER | CMS EXPERT

I am a CMS Developer by profession and a Programmer by heart. I love being in this line of work because I am passionate about technology, design, and innovation. I have been more than 3 years in this field and in this time, I have become a professional of my Field and develop 180+ websites for different business to help them grow using my knowledge and experience that I have acquired. I am looking for new opportunities to enhance my skills and building a new relationship with tech peoples.
